

The *A.B.C.* of Health
Innovation

CALL FOR PAPERS

**29th National Conference - Australian Kinesiology Association Inc
19, 20, 21 October 2012 ~ The Lakes Resort Hotel, West Lakes, SA**

We will be considering what is important or essential to good health,
and at the innovative approaches that kinesiology can use
to improve health and well-being.

Professionals interested in presenting at the 2012 AKA National Conference
in Adelaide are invited to submit for consideration an abstract of their topic
in up to 200 words. Full presentation may be submitted if preferred.

Criteria

- Topic will be of interest to Kinesiology practitioners, instructors and students and ideally will address the themes as advertised.
- 30 or 45 minutes duration
- Please state if your presentation will include a power-point and/or demonstration, and other equipment needs
- Please include a 100 word biography and photo

Papers for the Conference Journal should be no more than 1500 words.
Once accepted, papers (electronic format) must be received by 31 July to be
included in the Conference Journal.

Submissions close Monday 30 April

Paper Submissions and Conference enquiries should be emailed to
Conference Coordinator Susan Rennison at
akaconference2012@akakinesiology.org.au
